Connect with one another

- **Icebreaker:** If you could have witnessed any miracle from the Bible firsthand, which one would you choose and why?
- **Sermon Question:**
What do you remember the most from this Sunday's sermon?

Look at the Scriptures

- Think about the lives of the people mentioned in **Mark chapter 5** and **Hebrews 11**, compare them with those of Nazareth mentioned in **Mark 6:1-6**. What do you think sets these two groups apart?
- Jesus was "amazed" at the lack of faith in him that he found in his hometown. How was that lack of faith revealed and what made their faith stumble?

Apply to our lives

- What are some every day obstacles that prevent us from experiencing God's work in us?
- According to the sermon, approaching God with honesty and surrender is one powerful way in which we can cultivate a lifestyle of faith. How can we be more honest with God and what areas of our lives do we need to surrender to God?

Pray for one another

- Pray for each other's needs, and for those areas of each other's lives where you most need faith.
