CONNECT WITH ONE ANOTHER

- ❖ What is the most beautiful building you have ever seen, and what specifically about it captivated you?
- ❖ **Follow up:** Did anyone have an opportunity to love a “Cretan” this week? How did that go?
- ❖ **Sermon Question:** What did you enjoy the most about Sunday’s sermon?

LOOK AT THE SCRIPTURES

- ❖ **Ezekiel 37:23** and **1 Peter 2:9** talk about God creating people for Himself. What are some beautiful qualities God’s people display in these passages? What vision does that give for the church today?

APPLY TO OUR LIVES

The challenge from the sermon for this week was to pray over Titus 2:14.

- ❖ Has someone started practicing praying this week? How is your prayer time going? Share your experience.
- ❖ How can we pray based on this verse? Brainstorm and come up with at least seven meaningful points to pray over..
- ❖ Write the seven points and come ready next week to discuss about your prayer time over this great verse of the Scripture.

PRAY FOR ONE ANOTHER

- ❖ Pray for each other, and pray for the beauty of TBC and the church around the world, so that we would live in ways that reflect the beauty of the gospel and of God himself.
